**Book Discussion for April**— Book Discussion for April is Tuesday, April 21 at 6:30 PM , with the book, **Plainsong** by Kent Haruf.

In the same way that the plains define the American landscape, small-town life in the heartlands is a quintessentially American experience. Holt, Colo., a tiny prairie community near Denver, is both the setting for and the psychological matrix of Haruf's beautifully executed new novel.

**Book Discussion for May**— Book Discussion for May is Tuesday, May 19 at 6:30 PM, with the book, **I Am Malala** by Malala Yousafzai.

## Databases:

We have many good databases to help you with assignments. Need Homework help? The Library provides access to many good resources that will help you find the information you need. Check out the Research tab on our webpage for a full list or stop by the Reference Desk and we will be happy to help! Looking for family history? The Library has access to Ancestry.com and Heritage Quest. College students, many of these databases can help you as well!

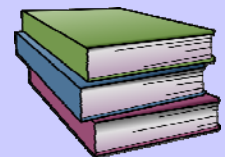

## TAX FORMS

**Tax Forms:** **April 15, is the filing deadline for all taxes.** The Library has received all the tax forms for this tax season. Forms can also be accessed at [www.irs.gov](http://www.irs.gov) and [tax.ohio.gov](http://tax.ohio.gov). The IRS forms will be on the table in the front of the Library; please ask for the State of Ohio forms at the Reference Desk. Unfortunately the IRS will not be sending out instruction booklets any longer. The State of Ohio is also cutting back on the amount of forms they are sending to the Library. As a result, we will only give out one form and one booklet. The Library has printed out copies of additional forms at the Reference Desk for the cost of printing. We also have the IRS instruction booklets we have printed out that check out for a week.
