**Book Discussion for April**— Book Discussion for April is Tuesday, April 21 at 6:30 PM, with the book, *Plainsong* by Kent Haruf.

In the same way that the plains define the American landscape, small-town life in the heartlands is a quintessentially American experience. Holt, Colo., a tiny prairie community near Denver, is both the setting for and the psychological matrix of Haruf's beautifully executed new novel.

**Find me a good book:** Running out of authors to read? The Library can help with that. From our webpage, [www.canalfultonlibrary.org](http://www.canalfultonlibrary.org), click on the borrow tab and then select books, from there click on "Need a Recommendation." This will take you to a form to fill out your likes and dislikes. We will then email you a list of suggested authors and titles. For more information please stop by the Reference Desk.

## TAX FORMS

The Library has received all the tax forms for this tax season. Forms can also be accessed at [www.irs.gov](http://www.irs.gov) and [tax.ohio.gov](http://tax.ohio.gov). The IRS forms will be on the table in the front of the Library; please ask for the State of Ohio forms at the Reference Desk. Unfortunately the IRS will not be sending out instruction booklets any longer. The State of Ohio is also cutting back on the amount of forms they are sending to the Library, and as a result, we will only give out one form and one booklet. The Library has printed out copies of additional forms at the Reference Desk for the cost of printing. We also have IRS instruction booklets that you can check out for a week.

**Display Case:** Be sure to take a look at the display case with a selection of our Local History Collection photographs and memorabilia.
